1.From the Managing Director, SAC, Vijayawada, e-File bearing Computer No. 1228127

***

O R D E R:-

In the reference 1st read above, the Managing Director, Swachch Andhra Corporation, AP has reported that after conducting stakeholder meeting with all Commissioners, O/o CDMA, NREDCAP, APUIAML and APPCB on 19.09.2019 and considering all the suggestions / remarks of the experts and stakeholders, a feasibility study for dry waste management in Nellore, Chittoor and East, West Godavari clusters was done by APUIAML and they have reported that establishment of Waste to Energy project is only feasible for East and West Godavari cluster as the cluster consists of 16 ULBs generating 450 tons of dry waste. Keeping in view of the above experts Committee report, the Managing Director, Swachch Andhra Corporation, AP has sent proposal for establishment of Waste to Energy Project in PPP mode at Rajahmundry in East & West Godavari cluster ULBs.

2. The Andhra Pradesh Power Coordination Committee (APPCC) has stated that, APDISCOMs have issued approval for initiating the tenders by SAC for establishment of Waste to Energy project at Rajahmundry with a request to furnish the outcome of the said bidding process to APDISCOMs for seeking approval of APERC in terms of tenure & tariff and other terms and conditions of the Power Purchase Agreement (PPA). Based on the approval of APERC, APDISCOMs will take to further necessary action.

3. The Andhra Pradesh Power Coordination Committee dated:03.04.2023 has also approved for initiating bidding process and requested MD, SAC to take further necessary action.

4. In this connection for initiating tender process and evaluation of bids, the MD, SAC has submitted the proposal for constitution of 3 tender Committees with concerned line Departments.

5. Government after careful examination of the matter hereby constituted the Tender Committee, Tender Technical Evaluation Committee and Tender Approval Committee with line Departments, for initiating the tender process, Evaluation of bids and for approving the lowest tariff with the following members:-
